

# Company Profile 2019

---

Advancing together in Information Technology

# About Company

---

Information Technology is at the  
core of how you do your business

---

***Let us handle your I.T needs so you  
can handle your business. Our goal is  
to help you grow. When you grow we  
grow***

---

Tushiyah Technologies launched in 2016 as an online store, with over 7000 items listed and delivering nation wide. Operating from Pietermaritzburg, South Africa, we quickly realised many in the local area required I.T services they could rely on, since then we have evolved into an I.T service provider.

We currently serve clients in Pietermaritzburg and surrounding areas and Durban. We landed our first international client in 2016, Hughs Limitada - Mozambique

## Our Vision

---

Deliver I.T services with excellence. To develop efficient and effective solutions that keep businesses one-step ahead.

## Our Mission

---

A midst a vast array of service providers currently out there, Tushiyah Technologies will strive to be the service provider of choice. Continually expanding and advancing to assist our clients to reach their next level. To make technology an asset for your business and not a problem. We Believe customer service is of the utmost importance and will aim to make sure all our clients satisfied with our service.
